# Friends of Nürtingen Newsletter

Dear parents/ guardians, dear school community,

Welcome to the new Friends of Nürtingen Primary newsletter! Every 2 or 3 months you'll be able to read all about the current & upcoming projects we're helping to fund at the school. These projects are only possible through the active and financial support of parents and the school community, so please consider donating, either by becoming a member of the Friends of Nürtingen Primary for 24 EUR a year or by making an individual donation. Here's how to join us:

## Harvest time in the school garden

The school garden project has been supported by the Friends of Nürtingen Primary since 2015. Last school year and this year it is the turn of classes 123K and 456M to tend the garden. They have sowed, planted, weeded, watered and harvested, and – during school holiday supervision – even cooked together. It's a fantastic experience for the children. The organisation Ackerdemie e.V. provides the seeds and teaching materials and supports the work in the garden.

### CALL FOR DONATIONS

## The new media room in the 'Gelbes Haus'

The new media room in the Gelbes Haus is being developed on the initiative of the after-school care Team Lila (Purple Team) as a place for the children to relax and as a space for learning. The Friends of Nürtingen Primary would like to help furnish the room. We need a locker/ a lockable cupboard and several large beanbags. Can you donate any of these items or contribute towards them? Let us know! (Contact details below)

## Celebration of Languages

Saturday 26<sup>th</sup> September is the European Day of Languages. We want to celebrate the different languages spoken at our school. From 21<sup>st</sup> till 27<sup>th</sup> September there'll be multi-lingual readings, storytelling, language games and competitions taking place at the school, put together by the Friends of Nürtingen Primary and the staff. More details soon on the Nürtingen school website.

## Remise

The „Remise“ outbuilding on the main school playground is once more to host exhibitions developed together with the pupils of the school. The Friends of Nürtingen Primary are helping to fund a (FSJ) volunteer position for the project co-ordination. More details here: → [nuertingen-grundschule.de/thema/schulleben/remise](https://nuertingen-grundschule.de/thema/schulleben/remise)

## Busy bees

Did you know...? Our school grounds are home to 4 colonies of bees. Next spring an environment project will be set up where the children will have the chance to learn all about bees and much more. We're providing beekeeper Herr Breddin with 200 EUR to help him set up a special beehive that has a glass pane, so the children will be able to observe the bees at work.

### WE RECOMMEND

## Daughters and Sons of Gastarbeiters – A reading for adults

The school management team is planning to host this exciting author reading at the school. We'll be there organising a collection of donations for the authors and, of course, we'll also be manning our t-shirt stand. Details of the event will be published on the school website soon! More information here: → [gastarbeiters.de](https://gastarbeiters.de)
