Friends of Nürtingen Newsletter

Dear parents, dear guardians, dear school community,

Here comes the fifth newsletter from the Friends of Nürtingen Primary School, and it's packed with interesting news and information about upcoming events at our school!

HELPERS NEEDED

The Sponsored Run

Our annual sponsored run had to be postponed due to the pandemic, but on **Friday 10th June 2022**, the waiting is finally over!

A lot of planning, organisation and many helping hands go into making the day a success. We are looking for volunteers to lend us a hand with the organisation in advance or to help out on the afternoon of the run itself. If you would like to help, please contact us by [Email](#).

The basic idea of the Sponsored Run is as follows: the children run laps of a set distance marked out in the schoolyard. Before the event, they try to find as many supporters as possible from amongst their families and friends who agree to sponsor them for a certain amount of money for each lap they run. As an additional incentive for the children, there are great prizes to be won by the classes that collectively run the most laps.

You can find further information in German, Turkish, Arabic and English [here](#).

The proceeds go to the Friends of Nürtingen Primary, which will use the money to fund various projects around the school to make school life even more enjoyable and varied. You can find more information about the work of the Friends of Nürtingen Primary [here](#).

NEWS

A New Start at the Futterkäfer School Café

Andreas Ribbeck will be leaving the Futterkäfer Café at the end of the school year, but will remain as a supervisor at Frühhort (early morning daycare). His position will be filled by Hatice Altıntaş, who brings great commitment and a tonne of new ideas to the job. Many children already know Hatice from school lunches, where she has worked as part of the team at the food counter. During the sponsored run, she will be offering a food stall so that you can get to know her and try her delicious snacks.

NEWS

School song with Suli: project postponed

Unfortunately, this eagerly awaited project has had to be postponed indefinitely due to a lack of budgetary funds. Our school was allocated a total of 3,000 euros in disposition funds in 2022, instead of the expected 20,000 euros, leaving a significant shortfall in funds at the school. Read what the press has to say about it [here](#).

However, there is hope that the disposition funds will be restored to the original amount for the coming school year, and this would allow us to restart the project. Whatever happens, around half of the costs will have to be financed by the Friends of Nürtingen Primary, so your donations are very welcome. More information about the musician Suli Puschban and her school songs can be found here schullied.de and here sulipuschban.com.

Best wishes – The Friends of Nürtingen Primary
